

State of Nevada

Department of Conservation and Natural Resources
Division of Environmental Protection, Laboratory Certification Program (LCP)

Laboratory Certificate for:

ASSET Laboratories - Las Vegas

3151-3153 W. Post Rd,
Las Vegas, NV 89118

State Lab ID: NV00922
Effective Date: 05/01/2025
Expiration Date: 07/31/2025
Document ID: NV-C25-00054

Conditions of Certification

This laboratory is hereby approved for environmental testing in accordance with the State of Nevada Administrative Code (NAC) 445A. Approval is granted only for those parameters specified on the attached Fields of Accreditation (FoA) list. For continued approval, the laboratory must maintain compliance with all applicable program requirements, including proficiency testing. The laboratory must immediately report to the Nevada Laboratory Certification Program any instance where compliance with NAC 445A requirements is not maintained. Laboratory clients may contact this agency for the most recently issued laboratory certificate.

Issued By: Jasmine Curiel, Laboratory Certification Manager

Approved Analytical Parameters

Matrix	Program	Method	Analyte	Status
DW	SDWA	EPA 180.1	Turbidity	Certified
